Dear Himerisa,

Thank you for your letter, which I did enjoy reading and I am pleased you found my letter delightful.

Like your self I am not a good 'sailor' and sea travel is probably my least favourable form of travel. I was so relieved when the Channel Tunnel opened and I no longer had to cross the English Channel by ferry! Fortunately my day trips on the Royal Iris ferry were usually in summer when it was warm so we could sit up on top in the fresh air. These crossings were also on the River so there was some shelter from the westerly winds and relative calm which definitely helped the feeling in my tummy.

I do enjoy travelling and seeing new places near and far so like yourself I am am hoping that travel routes resume to their pre COVID 19 days next year.

It is wonderful you love music, I am hoping you have heard of and enjoy Liverpool's most famous group The Beatles great favourites of mine. I also enjoy going to Art Exhibitions we are so lucky living in London with the variety of galleries and museums that we have.

I am pleased you are enjoying the violin keep up with your lessons and practising. I will keep a look out for you becoming that famous musician!

I hope you are enjoying your project and the run up to Christmas I know this is a very busy time in school.

Have fun, take care and stay safe ...and as you say we will all stay hopeful for a happy 2021.

Best Wishes

Ann
